Congressman Kim's Guide to Grants – April 2021

Hello and welcome to the Third Congressional District Guide to Grants E-Newsletter. I have developed this newsletter to provide you with helpful and updated information as you navigate the many Federal Funding opportunities currently available.

First – I want to make sure you know you can reach out to my office and we stand ready to serve as a resource to you.

If we can help in any of the following ways, please get in touch:

- Writing a Letter of Support to accompany your Federal Grant Requests.
- Connecting you with a Federal Grant Congressional Liaison to answer questions that may not be covered in the Notice of Funding Opportunity.
- For some Federal Grants, obtaining a review and feedback if your grant was denied so your next application is stronger.
- Working with our Congressional Liaisons to do research to see if there is a Federal Grant that would fund your proposed project or grant.

The Director of Grants for my office is Lynette Whiteman –
Email: lynette.whiteman@mail.house.gov Cell: 202-430-1261, do not hesitate to reach out to her. If you know anyone else who would be interested in or benefit from this newsletter, please have them contact our office.
